

Declaration of Ph.D. Faculty Advisor

Instructions: All ECE Ph.D. students are required to find a faculty advisor by the end of their first academic year of study. Your faculty advisor is responsible for guiding your research while you are working on your Ph.D. dissertation and for approving your 24 hour ECE course work requirement. Ph.D. students must officially declare that they have a faculty advisor in order to register for doctoral research (EEL 7979/7980). To formally declare that a faculty advisor has been determined, students and advisors must complete the below information and return this form to the Student Services Office (230 Larsen Hall).
